

# Mom Never Packed a Lunch this Good!

A full day of touring doesn't give you much time to stop and eat. Save time and money by pre-ordering your lunch from the National Museum of the Marine Corps. Simply choose your sandwich and we will add a little love, chips, cookie and either soda or bottled water.

**\$5.95 for children**  
**Adult Packages Available**

Call today to arrange for your individually packaged lunches. They'll be waiting for you in the Mess Hall or we can bring it down to your bus!
